INTERVIEW SUMMARY

A telephonic interview was held between Examiner Isis Ghali and Mr. David Osborne on February 14, 2006. During the interview, the Examiner indicated that claim 1 was objected to under statutory double patenting in view of the combination of the claims 1 and 29 in the United States Patent No. 6, 743, 441 and further that claim 13 was also rejected under statutory double patenting in view of the combination of claims 15 and 34 of the same issued United States Patent. It was agreed that by amending claim 1 to include the subject matter of claim 4, and that further by amending claim 13 to include the limitation of claim 16, that such double patenting rejection would be rendered moot. Applicant's representative authorized the Examiner to make such amendments via an Examiner's Amendment, and further to cancel claims 4 and 16, and to amend claims 5 and 17 to reflect a proper dependency in view of the foregoing claim amendments.

CONCLUSION

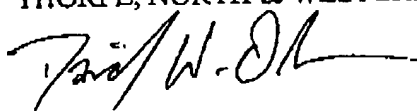

If any impediment to the entry of this Interview Summary is discovered, and such impediment could be removed during a further telephone interview, the Examiner is invited to telephone either the undersigned attorney at (801) 566-6633, so that such issues may be resolved as expeditiously as possible.

Please charge any additional fees except for Issue Fee or credit any overpayment to Deposit Account No. 20-0100.

Dated this 21st day of March, 2006.

Respectfully submitted,
